

Key Stage 4 Curriculum Overview

Our curriculum is a through curriculum from EYFS to the end of KS4. Priority is given to core subjects and removing barriers to learning caused by social, communication learning difficulties. Our aim is to ensure that pupils are able to access appropriate post-16 courses, supported internships and or employment. Our pupils follow the national curriculum in key-stage 4. In year 9 pupils begin a supported transition onto their key-stage 4 pathway. In Year 10 pupils also develop links with destination colleges.

KS4	Maths	English	Science & STEM	Humanities	PSHE	PE	Expressive Arts	ICT	S&L	Work Related Learning & Independent Life Skills
