

Northcott Art Projects!

Every two weeks we will create learning activities to access at home.

These projects can be completed on your own or with members of your family!

Lockdown Art Ideas for all ages!

Have a look at my power point to get your creative juices flowing. You might see some ideas that you like, and some of the ideas here might inspire a project all of your own.

You might just make a tiny piece of art – or start a huge project all about something you love – the possibilities are endless!

I've tried to think of things that don't use too much art equipment – just use what you have at home, and most of all **HAVE FUN!**
