

Northcott Primary Project!

The children can choose from the activities below, or they can create their own and share their projects with their teacher or on twitter. We want to show-case activities and projects that our children are completing with their families. The projects are designed to be fun and hands-on, so give it a go!

This time our book is 'On the Way Home' by Jill Murphy

<p style="text-align: center; color: purple;">English</p> <ul style="list-style-type: none"> • Make a new page for the book, in which Claire tells a friend a usual way that she hurt her knee! • Create a mini story book, using the instructions How to make a mini book. Write your own story called 'On the Way Home'. What reasons would you come up with for hurting your knee? • Write a newspaper article or use an app, such as iMovie, to create a news report about one of the things Claire says happens to her e.g. Wicked Witch flies down and knocks young girl over! 	<p style="text-align: center; color: blue;">Maths</p> <ul style="list-style-type: none"> • Look at the pictures and list all the different 2D and 3D shapes Claire passes on her way home. What 2D and 3D shapes can you see in your house, garden or street? • Claire says a snake wrapped itself around her. Have a game of snakes and ladders. If you don't have it play online here https://toytheater.com/snakes-and-ladders/ Challenge yourself: predict the number you will land on by adding the number on the dice to the number on the board! • Create your own game using a dice to get Claire back home. 	<p style="text-align: center; color: green;">Understanding the World</p> <ul style="list-style-type: none"> • Look at a Google Earth/Google Maps. Find your house. List or draw all the community facilities near your house! Claire passed a park, church, garage and a river draw what is near your house? https://earth.google.com/web/ • Create a fact file about one of the dangerous animals in the story. • Go for a walk, make a list/draw or take photos of the different things you see on your way back home! Create a collage of your pictures or a word cloud with your list https://www.wordclouds.com/
<p style="text-align: center; color: orange;">Art/Design</p> <ul style="list-style-type: none"> • Build a house with Lego or create Claire's walk home with Lego. • Create a maze using Lego. Try and get Claire back home.  • Use the storyboard template to make a new page for the book. • Design your own spaceship, use junk modelling to bring your design to life!  	<p style="text-align: center; color: red;">PSHE</p> <ul style="list-style-type: none"> • Claire had lots of friends. What makes a good friend? Who are your friends. Draw a picture of a friend and label what you like about them. • Claire hurt her knee. Learn some basic first aid https://firstaidchampions.redcross.org.uk/primary/guidance-and-support/home-learning-pathway/ 	<p style="text-align: center; color: pink;">Physical development</p> <ul style="list-style-type: none"> • Move around your garden or house like one of the animals. Can you slither like a snake? Can you prowl like the wolf? • Claire's friend Abigail had a skipping rope. Learn or practise skipping. How many skips can you do in 1 minute? • Create an obstacle course in your garden like the route Claire takes to get home.
