

Passport in Time: The Dinosaurs Checklist

Welcome to your Dinosaurs learning passport!

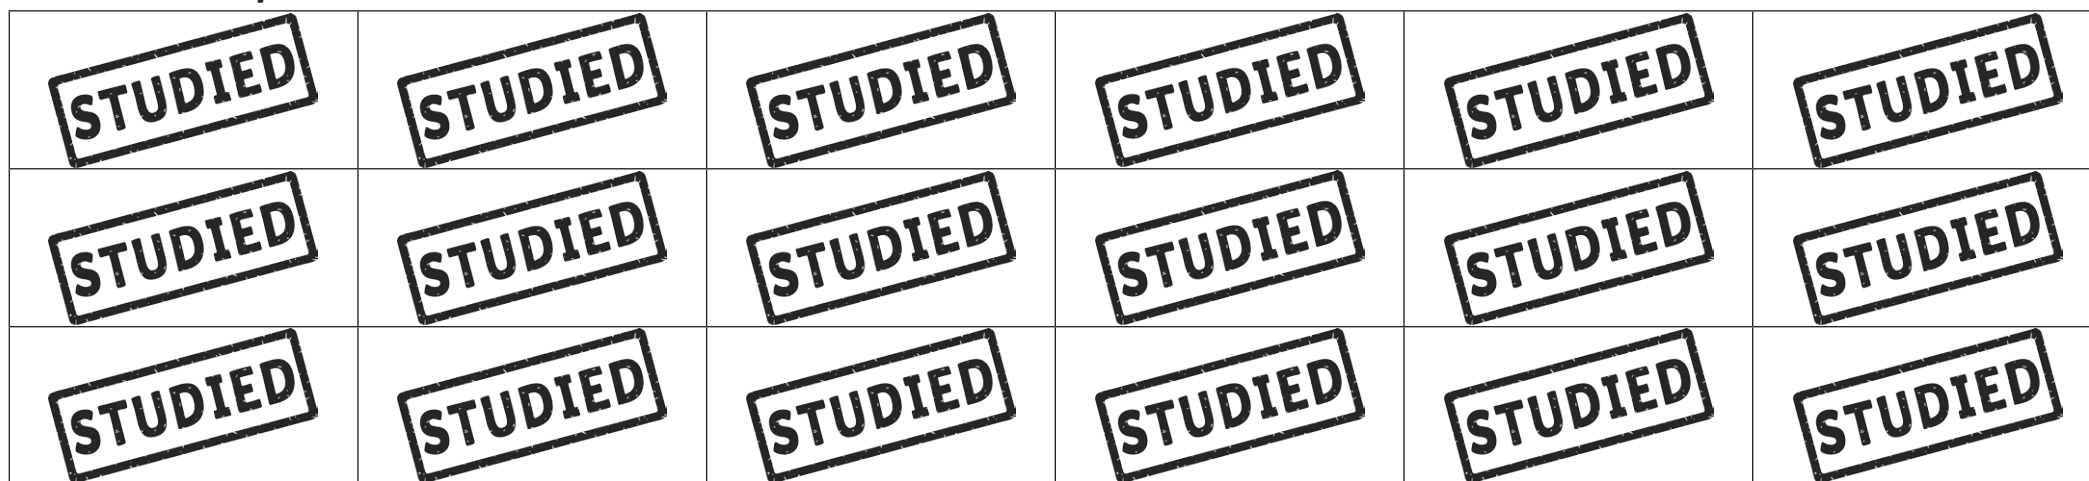

To make your passport, print this resource, cut each page out and then...

- Stick pages 1 and 7 to the back of pages 2 and 8.
- Stick pages 6 and 3 to the back of pages 4 and 5.
- Fold the double-sided pages in half.
- Assemble your book so the pages are in the correct order and then staple or bind your book together.

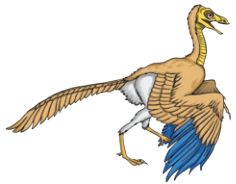

How to Use Your Passport in Time:

- As you study aspects of The Dinosaurs, cut out a 'studied' stamp and stick it over the top of the relevant area of study.
- Use the 'notes' section for anything you want to keep a record of.
- See if you can complete the whole learning passport and become a total expert on dinosaurs!
