

Northcott History Project!

Every few weeks we will create learning activities to access at home.

Task

The history teachers would like you to create your very own Covid-19 time- capsule!

This can include a variety of ideas, your very own memories of how YOU coped with lockdown and how it felt for you and your household.

We would like you to record this in your very own way. There are some ideas to help you.

Ideas

- Look at local newspapers and cut out anything relating to Covid-19.
- Take photos of the people in your household during lockdown this can include pets!
- You could also have a look at some examples online of diaries and time capsules.
- Interview your parents/carers and ask them how they feel?
- Write a letter to your future self how did you cope at the time? How did you feel?

How to make a video diary?

Presentation ideas

This task can be done by printing out and filling in the template(s) provided. You can add extra pages to your diaries/time capsules if you want too.

You could also do a video diary and interview others in your household.

You could also design and make your own diary or time capsule on the computer using your very own style and design!

What to do when completed

Send your pictures, video diaries to school via the school email:

northcott4parents@hotmail.com
or upload onto Twitter and tag @Northcottschool

Heritage Learning are also very interested in your experiences during lockdown. You can also send photos, letters, diary entries, pictures to them to store at the Hull History Archives https://www.youtube.com/watch?v=5iNEmGlwdbU

We look forward to seeing and sharing all your special memories of your time in lockdown.
