Aimed at Primary settings. Delivered by Chloe Lawrence

**Please note each course only runs once this academic year. Also refer to the information about which settings the training is aimed at before booking.**

Each school can book two logins for the sessions. It is up to each school how many staff members assemble to listen to the sessions but we need to limit the number of logins so that we keep the numbers of devices logged on at any one time to a manageable number. Booking will close one week before the training is scheduled so that Teams invites can be sent out. **This year we will be charging £20 for non-attendance** without 48 hours notice. This is to cover admin costs. Bookings will only be accepted if an email address for the financial team at your setting is included in the booking email.

**To book places or for further information please contact the Outreach Team on**
